

OFFICE OF EDUCATION ABROAD

The Office of Education Abroad supports and advises students, parents, and University partners throughout the study abroad process. This includes researching programs, completing applications, pre-departure, while abroad, & upon return.

UNC Charlotte Education Abroad (EA) offers hundreds of study abroad and intern abroad program options in over 70 countries. These programs range from semester and year-long to spring break and summer.

Studying abroad is an impactful experience that our students often describe as “life changing”

There are all types of study abroad opportunities and lengths. So many Transfer Students think they can but **YOU CAN!**
